

Typical Workshop Session (Instructors)

Please NOTE:

- ALL workshops start with arrival by 6pm on the night before class starts, for instructors and students. That first night includes dinner, orientation and instructor slideshows. *It is an important time for groups to begin getting to know each other and for our students to meet all faculty.*
- Instruction starts at 9am every day, for all workshops.
- The final day includes class time, clean-up, and departure.
